Treasurer A. N. Soc

My dear Sir:-

Received your letter of December 10th. At the time I was proposed for Membership, I am under the impression that I wrote to you that I was not interested in Numismatics, but I would be very glad to take out a Membership for my daughter Katherine Elizabeth Morris, who is very much interested in all of those things and has already quite a collection. She is however only 16 years old, and I do not remember receiving any answer to this suggestion. If your Society would see fit to elect her as a Member, she would be very glad to pay the dues and become a Member.

Would you kindly advise me as to how your Society feel about this matter, and as I have never become a Member, I have received from time to time, some literature and notices from your Society.

Trusting that your Society will see fit to elect my daughter, Katherine Elizabeth Morris, as a Member of the American Numismatics Society.

I remain,

Very truly yours.

To the Members of the Council,
The American Numismatic Society.

Gentlemen:-

I beg to submit herewith a letter from Dr. Lewis R. Morris. I would respectfully suggest that Miss Katherine Elizabeth Morris.to be formally elected to associate membership today.

January 13th, 1919.

Dr. Lewis Rutherford Morris,
60 West 58th Street,
New York.

Dear Sir:-

Your letter of January 9th addressed to Mr. Reilly, our Treasurer, has been referred to me for reply. The only explanation I can offer is that we seem to have presumed that you meant to have the membership for your daughter taken in your name. I now understand that you desire it to be in her name, and will see that this change is made.

It would give us very great pleasure to welcome you and your daughter and to show you in a more intimate way than is possible to our public visitors, some of the collections in our cabinets. Should it not prove convenient for you to accompany Miss Morris, I feel sure that Dr. W. Gilman Thompson would be very glad to have a suggestion that she would like to accompany him on some of his visits here. He is one of our Councilors and very much interested. Perhaps if you are able to come yourself you may feel inclined after seeing our collection, to come to the support of our Museum to the slight extent of becoming an associate member.

Very reppectfully yours,

Secretary.

Dear Sir:-

Your letter of the 10th has given me great pleasure. I am very glad indeed that you have decided to accept the membership to which you were elected last year, and I am sure that Dr. Thompson also will be pleased to learn of this.

Do you not feel that it would be the simplest way to arrange this for you to qualify from the date of your election, April 8th, 1918. This would obviate my having to present your name a second time although it would, of course, involve the payment of dues, five dollars annually, for 1918 as well as 1919. If this meets with your approval I will send you a memorandum to cover the two years.

Very respectfully yours,

Secretary.
